# Corpus Christi Catholic Church

---

2014 Springdale Road, Cincinnati, Ohio 45231

*Corpus Christi*...translated from Latin, means “The Body of Christ.”

Corpus Christi Church is a building, where the Holy Spirit gathers us in joy, where we prayerfully and enthusiastically proclaim the awesome love and mercy of God. But our Parish is much more than a building.

Corpus Christi was founded by Franciscans in 1958, and led by Archdiocesan Priests since 2002, who continue to be inspired by the life and example of Christ.

Corpus Christi is a family that gathers to be fed by the Word and the Eucharist, then is sent forth to live the Good News.

Corpus Christi is a community where the very young, the very old, and everyone in between, experience new life in the love of God.

Corpus Christi is an assembly that consoles the sorrowing and gives new hope to the despairing.

Corpus Christi maintains a deep commitment to everyone’s lifelong journey of learning, devotion, service, and spiritual nourishment.

Corpus Christi has a long and fruitful history of serving people in need.

Corpus Christi is a place where all are acclaimed and welcomed.

We hope this Guide Book will give you more information about our Parish Life and opportunities to serve. You may also wish to visit our website, [www.corpuschristicommunity.org](http://www.corpuschristicommunity.org), for additional information.

# Corpus Christi Mission Statement

*The mission of Corpus Christi is the mission of the Church,  
which is that of Jesus Himself to bring about God's Kingdom.*

*We do this by proclaiming and teaching God's word,  
celebrating the sacred mysteries, and serving people in their need.  
Thus our three basic ministries are WORD, WORSHIP and SERVICE.*

One Commitment to Catholic Education*

## History of Corpus Christi

Corpus Christi Parish was established in 1958 by the Archbishop of Cincinnati, Karl J. Alter. The parish was entrusted to the care of the Franciscans of St. John the Baptist Province, Cincinnati, Ohio with Fr. Barnabas E. McAlarney OFM, named as the first pastor. The new parishioners were from Assumption Parish, Mt. Healthy; St. John's, Dry Ridge; St. Ann's, Groesbeck; and Our Lady of the Rosary, Greenhills. The Chapel of St. Francis Seminary (the former Franciscan seminary on Mill Road) was to be used for Masses until a new church building could be constructed. The first Corpus Christi Parish Masses at St. Francis were offered on Sunday, September 14, 1958.

On Sunday, April 5, 1959, Fr. Barnabas announced that permission had been given for the building of a new church. The groundbreaking ceremony took place on September 27, 1959. This was a unique church — the first of its kind in the Cincinnati area. The Greek Cross plan had been chosen by the building committee. It would seat 482 in the nave and 160 in the balcony. The church would have a large Undercroft equipped with a kitchen.

The altar was made of highly glazed mosaic topped with white marble. The tabernacle was made of bronze with enameled doors showing wheat for bread and grapes for wine. A beautiful crucifix hung in the center of the sanctuary, and on either sides were shrines to the Blessed Mother and St. Joseph holding the child — all hand carved by John Giglio.

Stained glass windows on all sides of the Church building depicted scriptural and liturgical symbols: those on the East (above the altar), icons representing the Sacraments; those on the North, the Old Testament; those on the West (balcony), the Twelve Apostles; and those on the South, the New Testament.

The Church building was dedicated on April 30, 1961. Ground was broken on the south side of the church for the Rectory on October 4, 1962. The completed Rectory was dedicated on April 17, 1963.

The plan was for children to attend Grade School at the former Hamilton Catholic High School building until a permanent school could be built. Corpus Christi Grade School opened at this location September 12, 1966.

Groundbreaking for the Convent (now the Parish Center) took place on October 21, 1965. The Sisters of St. Francis, Oldenburg, moved into the Convent August 12, 1966. Auxiliary Bishop Edward McCarthy blessed the Convent on November 10.

Crowded offices, fewer Franciscan Sisters and increased enrollment in CCD religious education programs necessitated changes to the Convent and Rectory. In August, 1976, the Convent was converted into the Priests' residence, Parish Offices, and classrooms. The Sisters moved into what was previously the Rectory.

With the need for additional storage space, members of the Parish (with the leadership of the Men's Society and Scout Troop 603) built the McAlarney Building in 1979, designating the West side room for the Boy Scouts' use.

In late 1979, after consultation with two neighboring Parishes (St. Bartholomew and the newly formed St. John Neumann), it was decided that, rather than building a new school building for Corpus Christi Parish, a Consolidated School would be formed. St. Bartholomew Consolidated School began serving the three Parishes, beginning in the academic year 1980-81.

The Parish celebrated its Silver Jubilee celebration with an outdoor Mass on Sunday, September 11, 1983. The theme was "Without U, Christ and I, There Would Be No – Corp-US Christ-I." The Jubilee Mass was followed by many activities – a picnic, square dancing and movies.

In the mid 1980's the church was a beneficiary of a substantial bequest, which allowed the Parish to make several major capital improvements. These included air conditioning in the church, many needed repairs, a new roof, an updated cry room, storm windows, a new stove in the Undercroft, a transition from oil to gas heat, and blacktopping the parking lot.

The Food Pantry began to operate in the mid-1980s in the lower level of the Parish Center. Previously volunteers of the Food Pantry distributed food to the needy out of their own homes.

In March of 1994, the Franciscan Friars returned to reside in the original Rectory. This allowed the original Convent building to be completely converted to the Parish Center with a daily Chapel.

Corpus Christi celebrated its 40th Anniversary on the Feast of St. Francis, October 4, 1998 with a Liturgy followed by a reception and a pictorial history of the Parish in the Undercroft.

Once again, the church and buildings went through renovations: a new sound system, carpeting in the sanctuary, an upgraded sewage system, improving the terrain to allow for adequate water drainage, new lighting fixtures, and a large screen TV for catechetical and educational purposes. The cry room was equipped with a video camera and TV screen for easier viewing of the sanctuary.

On July 1st of 2002 the Franciscans returned the administration of the Parish to the Archdiocese.

Beginning in 2002, Corpus Christi and St. John Neumann Parishes were formed into a Pastoral Region, working together in a spirit of collaboration. Our two Parishes also entered into a special relationship with St. John the Baptist Parish in Colerain Township, forming a Pastoral Area. Children from Corpus Christi and St. John Neumann began attending St. John the Baptist Pastoral Area School in the 2008-09 academic year. Also, a successful Summer Religious Education program for the three Parishes began serving students and families who were not able to receive formal Religious education from the Pastoral Area School.

Beginning on September 8, 2007 was a year-long celebration of the 50th Anniversary of the founding of Corpus Christi Parish. The year of Jubilee began with a special Liturgy. A 50th Anniversary Committee planned many celebrations and activities, both spiritual and social. The year-long celebration culminated with a Mass on September 14, 2008 with Archbishop Daniel E. Pilarczyk presiding. A wonderful dinner at Donauschwaben Hall ended prematurely when the high winds of Hurricane Ike caused one of many power outages (some lasting for several days in parts of Greater Cincinnati).

In 2009, Parishioners generously responded to a Capital Campaign entitled "Renew the Face of Corpus Christi." On October 11, 2009, following the 10:30 a.m. Mass, ground was blessed and broken by the Parishioners for a renovation project to create a new Gathering Space, an elevator, new restrooms and a new Baptismal Font. The cabinets in the sacristy, usher area, and ambry were crafted by Jerry Armbruster, and a hand carved wooden sculpture (John the Baptist) and statue (Risen Christ) were each carved by Norb Hartmann.

Several major capital improvements were made during the years 2011-2016. Mr. Robert Collins designed and crafted new Stained Glass windows for the Gathering Space (on both sides of the entrance door). Mr. Collins was an apprentice in the stained glass craft in the 1960s, and his very first project was assisting in the stained glass window project at Corpus Christi in the early 1960s. A generous donation enabled the restoration of the church bell. A very extensive renovation of the Undercroft was completed, and it was renamed Francis Hall. New air conditioning units were installed in the church. The Food Pantry, in the lower level of the Parish Center, was significantly expanded and remodeled. The exterior of the Church was painted, the parking lot and driveways were repaved, and updated phone and computer systems were installed (including internet connectivity across three buildings).

In 2017, many significant changes to the Corpus Christi campus occurred. A very generous donation funded new lighting and a newly engineered sound system in church. Many years of successful fundraising campaigns enabled the installation of a new boiler, conversion to LED lighting throughout the campus, and significant building repairs and computer upgrades.

More improvements continued in 2018 and 2019. The Parish Center boiler failed unexpectedly just before the winter months in late 2018, but Parishioners quickly raised enough money to purchase and install a new boiler. Parishioner Mary Jane Noe designed a beautiful new glass door to the entrance of the Parish Center Chapel. Mary Jane also designed four new stained glass windows in the Gathering Space. Robert Collins began crafting these new windows in 2018; sadly, he passed away in March 2019, but his assistant, Randy Faber, completed the project in July 2019. Also, the fields on the west side of the campus, which had been used many years for sports activities, were tilled and seeded with native grasses and wildflowers, the first step in developing a meditation garden/prayer path in this peaceful corner of our property. In early 2020 we completed the renovation of the kitchen in Francis Hall. We are working towards renovating the bathrooms in Francis Hall, which we plan to complete in 2022.

Corpus Christi continues to flourish!

Members of the Corpus Christi Liturgical Music program believe that quality music enhances the experience of our community's prayer. Faith, enthusiasm and commitment are just as important to the success of the music program as individual musical talent. Musicians also arrive at least 30 minutes before Mass to prepare. New members are always welcome. Contact: Bill Marshall (513-825-0618, ext. 106).

**Parish Outreach Eucharistic Ministry (POEM):** This ministry seeks to provide extended spiritual and communal support to our permanently and temporarily homebound parishioners, who, as a result of personal illness, personal disability, or age considerations, are unable to regularly participate in community activities. Volunteers are needed to bring Holy Communion to those members of our community who are unable to regularly attend Sunday liturgy. Both of these Bible Studies occur in Daniel Hall. Contact: Deacon Larry Day (513-825-0618)

**Welcoming Catholics Home:** This is an opportunity for inactive Catholics who are seeking answers to questions about returning to the Church. The sessions allow an individual to come and ask questions, learn about recent changes and share faith. Contact: JoAnn Denzler (513-675-6011).

**Early Christian Writings:** This adult group reads writings from the early Church Fathers and discusses the historical and cultural elements present when they were written as well as their impact on the development of the Church. The format is group discussion and reading materials in advance of the meeting. Meetings are held on Monday nights from 7:00-8:30 p.m. throughout the year. Contact: Deacon Larry Day (513-825-0618).

**Rite of Christian Initiation:** This process offers adults who are unbaptized or those who are members of other Christian communities, an opportunity to meet Corpus Christi parishioners, ask questions about the Catholic Church, and explore the message of Jesus Christ as experienced here. Adults who enter the process hopefully will make a final commitment to become full members of the Catholic Church. Contact: The Parish Office (513-825-0618).

**Rite of Christian Initiation for Children:** Catechists assist in his process for children over the age of 7 to prepare for Baptism or to be welcomed into the Catholic Church. **Sacramental Prep - Children:** Catechists assist with special events during the preparation time for First Communion, First Reconciliation and Confirmation. Contact: PJ Ehling (513-825-0618).

**Small Communities of Faith:** This is a parish renewal process which encourages reflection on the spiritual life of the individual as well as the community. Parishioners gather together in small groups to share faith with one another as they read a book about our faith. These groups meet for 6 week intervals twice per year. Contact: Deacon Larry Day (513-825-0618).

**Religious Education - Grades 1-6:** This model of educating our students is a combined effort with St. John the Baptist and St. John Neumann. Every time any Fair Trade product is purchased, it is with the knowledge that the farmer, grower or laborer is receiving fair compensation for his/her work. By cutting out the middleman and selling directly to the Fair Trade Organization, workers throughout the world receive fair wages as well as medical benefits for themselves and their families. Fair Trade products are sold the first weekend of every month after each Mass in the Parish Center Marketplace and are available throughout the month during parish office hours. Contact: Larry Day (513-825-0618).

**The Pastoral Area Food Pantry** is a community partner pantry with the Freestore Food Bank. We serve those in the parish boundaries of Corpus Christi, St. John Neumann and St. John the Baptist who are experiencing food insecurity. Two pre-sign programs, Thanksgiving Dinner and Christmas Dinner/Gifts for children, are held with the support of our three parishes. Food pantry volunteers regularly assist those in need of food and directs clients to other organizations to further assist them in non-food needs (St. Vincent de Paul, other community organizations, etc.). Volunteers pick up food donated to the Pantry by local organizations and stores. The success of the Food Pantry relies on the generosity of our parishioners at Corpus Christi, St. John Neumann and St. John the Baptist to carry on this important ministry to fight hunger in our communities. Contact: Diane Arnold, 513-825-0618.

**St. Vincent de Paul:** In collaboration with St. John Neumann Parish, volunteers assist those who have needs other than food. Contact: Sylvia Corson (513-851-1188).

## Parish Life

**Finance Council:** The Finance Council meets on a regular basis to review the fiscal needs of the Parish. The Council, by overseeing assets and maintaining the financial stability of the parish, enables the ability to worship and continue to spread the Good News of the Gospel. Contact: Bill Marshall (513-825-0618).

**Forever Young Seniors:** Parishioners over 55 years of age meet on the second Thursday of each month, March-December, at 11:30 a.m. in Francis Hall to enjoy lunch, each other's company, and offer mutual support and friendship. Together they plan monthly meetings and events for all to enjoy. Contact: Kevin Epplen (513-829-0798).

**Fundraising:** Financial profit is not the reason our Parish exists. However, expenses are necessary in order to maintain our operations. We are grateful for all Offertory donations received, and we also rely on fundraising ventures to supplement our income, especially when considering the cost of large-scale repairs and Capital Improvements. Our Fundraising projects include dinners and other events planned by a group that meets several times each year. We also sponsor a raffle (the "2500 Club") with drawings twice a month for \$100 cash prizes. We also partner with market research firms, soliciting volunteers from the area to give feedback on new consumer products; the Parish is compensated for the volunteers' time. Volunteers are always needed to help organize and implement fundraising projects! Please call the Parish Office for more information.

**God's Housekeepers:** Cleaning teams work weekly to clean the Church and Gathering Space. Contact: Mary Lou Hartman (513-741-8742) or Anita Niebling (513-532-2779).
