Dear Cathedral Parishioners,

We are happy to present to you the 2022-2023 Guidebook. It is a useful tool for participation in the life of the cathedral parish community.

As in the past, you are encouraged to use this little booklet as a “prayer tool” by leaving it open in a prominent place. You may want to continue to do that. Keeping one another in prayer each day strengthens our parish and witnesses to what the Catholic Catechism calls our “communion of charity.”

Secondly, simply reading through the names of fellow parishioners is a great way to become familiar with one another. Each time you meet a parishioner for the first time, note that next to the person’s name in the Guide Book. You’ll be amazed how this helps you to learn the names of fellow parishioners.

This past two years has been challenging due to the worldwide COVID-19 pandemic and the racial tensions that have gripped our nation. For the safety of all people, extreme measures were taken. The Cathedral and the Cathedral Kitchen were closed as we ‘sheltered in place’ to minimize the spread of the virus. When we reopened, we implemented new procedures during our masses, to provide a safe place to worship as a community. We also began livestreaming our masses, offering a way for our parishioners to connect ‘virtually’ with others in the parish.

We are most grateful for all the support from our parishioners as we navigate these challenging times. Your patience and prayers and your willingness to help when called upon have helped us gather again as a faith community, always seeking to do the will of God. May God continue to bless all of you abundantly!

We hope you find this a useful tool in participating in the life of our cathedral parish.

Sincerely yours in the Lord,

Father Pat Beidelman

SOME HISTORY

In 1892, the Parish of SS. Peter and Paul was formally erected by Bishop Francis Silas Chatard. Construction of the cathedral rectory and chapel began July 15, 1891, and the dedication was held March 25, 1892. On April 18, 1892, the bishop moved into the rectory. In 1894 the bishop received formal permission from Rome to move the diocesan see from Vincennes to Indianapolis, and SS. Peter and Paul was on its way to becoming the Cathedral Parish.

Situated in a growing professional area of the city, the Cathedral Parish soon grew in prominence. The cornerstone for the Cathedral Church itself was laid in 1905, and construction of the church was completed in 1907. It was dedicated at 6:00 am on December 21, 1906.

The parish grew from modest beginnings to a population in excess of 5,000 in the early 1950's. It was a vibrant, bustling place and an active community, centrally located with its own grade school behind the church, and St. Agnes Academy and Cathedral High School (now the Catholic Center) right across the street.

Three pastors in the cathedral's history became bishops: Fathers Joseph Chartrand (Bishop of Indianapolis), Elmer Ritter (first Archbishop of Indianapolis, and later Cardinal Archbishop of St. Louis), and Gerald A. Gettelfinger (the former Bishop of Evansville). Many others - clergy, religious, and lay people - have distinguished themselves over the years in service to the people of God.

Similar to many center-city parishes throughout the country, SS. Peter and Paul decreased in population and local prominence through the 1970's. However, the efforts of diocesan, pastoral, and lay leadership began a period of revitalization for the cathedral in the early 1980's that has continued into the new millennium. This revitalization has included, among other things, the renovation of the church (completed in 1986) and renovation of chapel and rectory in 1992.

The grade school building was renovated to accommodate the Damien Center (1987-2006), and the Cathedral Kitchen and Food Pantry has continued to expand its service. In the summer of 1994, many members of the former St. Bridget Parish found welcome in a new spiritual home at SS. Peter and Paul.

And most recently in 2008, the parish has committed human and financial resources to more effectively telling our story and promoting our presence through the world-wide-web and other media.

In 2016-17 our parish embarked on a Master Plan for the cathedral campus. The primary goal of the process was to accomplish what was stated in the decisions of the Cathedral Commission:

“The Cathedral will enter into a formal Master Planning Process...this process will focus on a plan for the future that focuses on the property and the facilities of Saints Peter and Paul Cathedral, and also upon a strategic plan that takes into account the three areas of mission.”

(Giving all who visit a powerful experience of the sacred, outreach to the poor, enhancing missionary discipleship.)

In the spring of 2017, with the help of JNKA Architects, we completed our Master Plan for the SS. Peter & Paul Cathedral campus. The plan included a full facilities assessment and recommendations for improvements and enhancements to all of our facilities.

In June 2017, our parish celebrated the ordination of Deacon Nate Schallert and the 40-year anniversary of the Knights and Ladies of Saint Peter Claver at our parish.

In July 2017, Bishop Thompson was installed as the newest Archbishop of the Archdiocese of Indianapolis, following Cardinal Tobin's move to the Archdiocese of Newark.

In March 2020, the Coronavirus pandemic hit the United States and the whole world, closing churches, offices, businesses, and forcing people to self-quarantine. One year later over 500,000 citizens of the US have died from the virus. Many people are now getting vaccinated allowing more people to get out of isolation.

At the beginning of the pandemic daily Masses were recorded and posted on YouTube for people to watch. After a few months we were able to safely reopen the cathedral for public Masses with limited seating, social distancing and practicing good sanitation. At the same time, we were able to livestream our Masses for all our homebound parishioners and members of the archdiocese. In the fall of that year, we were able to resume Confirmations with the archbishop with limited seating.

During the months of July-October of 2020, our rector, Fr. Patrick Beidelman set off on a Sabbatical that took him to various parts of these United States. Upon his return in the Fall of 2020, he was assigned as Pastor of St. Mary's parish as well as continuing as rector of the Cathedral. With Fr. Pat at the helm at both parishes we were able to synchronize our Mass times and collaborate on sacramental preparation and adult faith formation.

The diverse mission of the cathedral serves thousands of people annually. As a parish, we are proud to continue a tradition of service established over 125 years ago, and to be a part of an ongoing ministry to our neighborhood, our city, and our archdiocese.

COMMUNITY LIFE & OUTREACH MINISTRIES

The Community Life and Outreach Ministries includes the ministries of evangelization, pastoral care, social justice, Christian service and community groups. Its scope includes outreach to both the parish membership and the larger community, either in the neighborhood or beyond.

Creation Care Committee

The Cathedral Creation Care Committee was formed because of Pope Francis' 2015 encyclical, *Laudato Si'*, *Care of our Common Home*. This encyclical seems to embody two attributes associated with St. Francis of Assisi - care for the poor and love of creation. The earth is our common home. In 2021, the *Laudato Si'* Action Platform (LSAP) was incorporated to provide a Vatican framework inviting families/individuals, parishes, archdioceses, religious organizations, etc. on a journey toward total sustainability and integral ecology. (Joe Shierling, Chair)

Cathedral Parish Kitchen and Food Pantry (Winner of the 2010 Spirit Award)

The Soup Kitchen serves six meals per week (Monday through Friday 8:45 AM to 10:00 AM; and Sunday dinner around noon). We feed 2,500 meals to the needy, homeless and poor people per month (or 30,000 meals per year). We provide food via the pantry each Tuesday.

We serve the poor, needy, homeless and marginalized people of the area, provide opportunities for volunteers, work with parishes, businesses, universities, colleges, high schools, and elementary schools. We raise money, provide food, some clothing, and work with other agencies that do the same.

Please consider volunteering your time, talents (cooking, serving), treasures (raising money, food contributions, blankets, socks, etc.). Please contact the kitchen and we will gladly put you to work in serving those less fortunate that are right in our own backyard. (Linda Eichholtz)

Knights/Ladies of St. Peter Claver

You are invited to join them as they walk in the steps of their patron, St. Peter Claver. (Frank Loyd Jr.)

Membership is open to practicing Catholic men in union with the Holy See, no less than 18 years of age on their last birthday and who live up to the commands of God and precepts of the Church. The Knights of Columbus spread the Good News of the Lord, visit the sick, bury the dead, and lend a hand to widows and orphans. (Robert Newport)

St. Vincent de Paul Society Conference

St. Vincent de Paul's mission is to provide for needy families and the Cathedral SVdP Conference does this with a particular focus on the poor within our parish boundaries. Although our mission to advocate on behalf of the poor and marginalized remains the same, because of the COVID-19 pandemic we have had to make changes to ensure the safety of our members and those we assist. We hope this is temporary, but at the moment we are not visiting the homes of individuals in need of help. We are still responding to calls to our Help Line, but assessments will now be done over the phone, and submitted to the Distribution Center where arrangements will be made for individuals to pick up furniture, appliances and clothing. At this time, St. Vincent de Paul has an urgent need for volunteers to help us carry out our mission. Under the protective guidelines of COVID-19 volunteers are needed at the distribution center, food pantry, and home visits. (Contact Mary Dando or Mary Oss)
