Dear Brothers and Sisters,

Our Lady is an amazing parish family; we are blessed that God has gathered us together to do His will in Germantown, TN! When I came to America, Our Lady was my first assignment. You all welcomed me with such warm hospitality. Now, many years later, I am grateful that God has called me back to Our Lady to be pastor and leader of this parish. With prayer and guidance from the Holy Spirit, we will do many great things together. I pray that this directory continues to grow as we continue to grow His kingdom. Please use this directory as a resource to connect with members of your spiritual home, to welcome others with the same hospitality you showed me, as we all move our Church from maintenance to mission.

Our mission is Christ's commission for us to go out and make disciples. To do that, we must work together to find new and relevant ways to share the Good News of Jesus Christ. The Holy Spirit makes this an adventure for us every day. As new opportunities arise and as we stand on the foundation of the work Our Lady parishioners have done before us, I pray that we are filled with His grace and mercy and empowered to share His love with everyone we meet.

In Christ,

Fr. Jolly Sebastian

Our Lady of Perpetual Help Catholic School is a meeting place for those who wish to express Christian values in education. The aim of the Catholic school community is the transmission of values for living. Its work is to promote a faith relationship with Christ in whom all values find fulfillment. Faith is principally assimilated through contact with persons whose daily lives bear witness to Christ. Christian faith is born and grows within a community.

Our school community generates an environment where our children gain a sense of responsibility for themselves and for the rights of others. Building on a foundation of faith, our children, like Mary, will have the courage and wisdom to serve their world community.

Our Lady of Perpetual Help Catholic School is dedicated to providing an accredited, co-educational, child-centered school of developmentally appropriate excellence, serving all qualified children of any race, creed, national or ethnic origin. Christian values and an environment designed for the optimal development of the whole child are emphasized throughout the school program.

- Emphasizes Christian values, rooted in the tenets of the Catholic faith.
- Offers daily religious classes in Catholic faith formation and planned worship activities for all students.
- Provides a safe and loving environment.
- Maintains an accredited, coeducational, child-centered school of excellence.
- Serves qualified children of any race, creed, national or ethnic origin.
- Encourages each child to reach the full potential of his or her God-given abilities.
- Fosters cognitive development, social skills, and physical motor development within a faith-based environment.
- Accredited by Cognia (Southern Association of Colleges and Schools).

# Parish Religious Education (PRE)

Faith Formation classes for parish children and youth

## WHO

Children ages 4 years-8th grade

## WHY

When children are baptized, parents accept the responsibility to bring up their children in the practice of the faith and to see to it that the divine life that God gives them always grows stronger in their hearts. (Rite of Baptism of Children, No. 56) Children not attending Catholic schools should be enrolled in a regular faith formation program in their parish.

## HOW

Following the directive of the Catechetical Directory, our parish program includes Prayer, Instruction, Service, Community, and Morality.

Children ages 4 years-5 years

Use an instructional program that will focus on scripture stories and connect them to children's lives through an easy to understand, real-life story.

Children in Grades 1-6

Use an instructional program that in very motivational ways draws on the teachings of the Catechism of the Catholic Church.

Youth in Grades 7 & 8

Confirmation preparation is a 2 year process that begins in the 7th grade and continues through the 8th grade. The Sacrament of Confirmation is generally administered during the 2nd semester of 8th grade.

## Grade 7

The first semester curriculum includes a Catholic Bible study created specifically for middle school children and a program designed to inspire young souls to a deep and lasting love for the Mass. The second semester introduces a curriculum consisting in part, of video and discussion that engages young Catholics in a meaningful conversation about Catholicism.

## Grade 8

The Confirmation preparation program used in 8th grade is designed to provide the essential intellectual and spiritual catechesis that is so vital to sacramental preparation. During the course of the year, the candidates for confirmation will be invited first to hear, then to respond with faith to the voice of God who has called us to become his sons and daughters - simply because "he first loved us." (1 John 4:19)

## WHEN

All classes meet Sunday mornings.
