Hello everyone,

Welcome to the St. Patrick Guide Book & Directory! Our parish proudly presents this book as a resource to every parishioner. This guidebook is a catalogue of ministries describing the many opportunities the parish and school offers for you to become engaged in the parish life at St. Patrick. In any community, what you get out of it is directly related to what you put into it. You will be so much more fulfilled when you move from sitting on the sidelines to getting actively involved in the many activities and life of your parish.

It is also a tribute to the generous spirit of our parishioners, who make our parish alive and vibrant with faith: who build strong bonds of friendship and connection with each other; and who provide a great variety of outreach to our parish and to the wider community. We thank all those who share their gifts to make these ministries possible, and we invite all parishioners to join in these activities. We especially welcome new parishioners, and anyone interested in participating in our parish life.

This new directory also provides the most current contact information of parish staff as well as our parish families. Please feel free to contact myself and my staff with any questions or concerns. May God bless our parish family as we continue to be a spiritual Beacon of Hope in the local community and the world.

Peace in Christ,

Fr. Jeff Shoener  
Pastor

## Parish Organizations

The Pastor relies on three advisory councils for assistance with pastoral leadership and planning: the Pastoral Council, the Finance Council, and the School Board. The Pastoral Council serves as the primary consultative body. The function of the Finance Council is required by Canon Law and appointed by the pastor. The Finance Council advises the pastor on matters regarding the temporal assets of the parish. The School Board advises the pastor and school principal on matters regarding school policies. All parish ministries fall under one of the Five Pillars: Praying, Learning, Serving, Joining and Giving Together.
