Mission Statement

We believe that we are called together to grow in God's love through worship and study in Word and Sacraments to be an ever greater servant to our community and the world with a ministry of love and care.

Motto

Blessed to be a Blessing!

Word of Welcome

Our Savior's Lutheran Church is comprised of people from a variety of walks of life. We are females and males of different ages, races and cultural heritages who experience life in many different ways. Some have lived their entire lives in the ministry of a Christian congregation and others have lived a number of years before choosing to follow a Christian lifestyle. What we have in common, with followers of Christ in every age and place, is our belief and trust that God loves us and has saved us from sin, death and the power of evil, through Jesus.

We readily admit that we are not perfect people, but we want to offer our love, worship, caring and service to God. As an indication of our response to God, we desire to grow in our relationship with God. As we continue to live in God's grace we are open to being changed so we may more fully represent the wonders of God's salvation. We enjoy life and desire to share it with others. We see ourselves as being servants and we commit ourselves to the ministry of this congregation, devoting our time, energy, abilities and monetary resources so others may come to have a vibrant relationship with God. We offer ourselves to help others in our immediate community and around the world.

The Basics of What We Believe:

At Our Savior's, we believe that every dimension of our life provides an opportunity for us to express, appreciate and respond to the love and power of God.

We believe:

- Everything that exists is a part of God's creation;
- The Holy Bible reveals the relationship God desires with creation, particularly human beings;
- God entered human history through the life, death and resurrection of Jesus so we come to know God in a personal way;
- In Jesus and through the lives of his followers we see how God enters our broken lives, fractured relationships, and unjust world hoping to bring peace and wholeness;
- God loves, forgives and saves us by grace alone; God's salvation is freely offered to us through the sacrificial death of Jesus on the cross. As we respond to God's love, trusting and believing in God's promises—we are saved.
- God offers the gifts of new life, forgiveness of sins and the hope of eternal life through the sacraments of Holy Baptism and Holy Communion;
- Jesus, God's only Son, has shown and offers us a way of life that is a loving and hope-filled alternative to the self-centered and short-sighted ways of the world;
- We enter into the fullness of life when we take up our cross and follow Jesus; when we cease to live for ourselves and accept the lifestyle Jesus taught;
- God cares for people through the church; by the power of God's Holy Spirit we go into the world to generously offer love, forgiveness and gracious hospitality.

When we hear the Good News of what God has offered us through Jesus We are inspired to:

- follow him; be disciples through worship, study and service,
- offer compassion to those in need,
- work to bring about justice for those who are oppressed,
- welcome others to explore and share life with us, no matter where they are in the journey of life.

What We Believe Translated to Action:

Gracious Hospitality

Everyone is welcome and important at Our Savior's! Jesus died and rose to new life so people can experience the fullness and abundance of God's love. We, who call ourselves his followers, are described in the Bible as being the body of Christ; we are His presence in this world. How we interact and relate; how we treat everyone, is the way we share God's love and salvation that takes people of differing races, sexes, ages, orientations, cultures and languages—molding us together in ways that give us deep meaning and true inspiration.

Meaningful Worship

Worship is at the center of our life. Each week we take the time and make the effort to gather together with other followers of Jesus. We do this because it is important for us to express our love and gratitude; to receive from God His living Word and sacraments, which define and sustain us in our daily living. In our Lutheran form of worship everyone participates as a part of our joyful offering to God.

Relevant Learning

Life is characterized by change, growth, renewal, and transformation. At Our Savior's we enjoy opportunities to learn about God and the wonders of God's kingdom. As followers of Jesus, who express our Christian faith as Lutherans, we believe this is a life-long process. We appreciate questions and struggling with the complex issues of our world. Using God's Word as a foundation, we join together in exploring God's purpose for our life. We desire to learn so our faith may be strengthened and the meaning of our love deepened.

Expansive Service

Jesus said, "I came not to be served, but to serve." (Matthew 20:28). Life is often difficult. Acknowledging God's grace that fills and surrounds us; taking the love we have been offered, we reach out to others in need. It does not matter if the people in need are in our local community or somewhere else in the vast world—we desire to help. In such partnerships we experience the presence of God and enjoy sharing with the variety of people who populate this earth and enrich our lives.

Overflowing Generosity

God has given us so much we live with continuous gratitude. As an outgrowth of this constant flow of God's abundant blessings to us, we commit ourselves to allowing God's blessings to overflow in generous giving to others. The imagery of this is found in the Bible ("My cup overflows"-Psalm 23). In this giving we experience joy! Another couple of ways to express this are: "We are blessed to be a blessing" and "You make a living by what you earn; you make a life by what you give away."

We are never satisfied by what we give and always seek to grow or overflow in new ways.

Leading Us In Ministry

Our Lord - We, as the people of God/followers of Christ, are a part of what is defined as being the body of Christ/the Church. We are Christ's presence in the world in a very real and physical way. Because of what we are and the mission that has been entrusted to us we are always mindful that Christ is the leader of the Church. We look to Him for our direction.

The Word of God - We accept the Old and New Testaments as the inspired/inspiring Word of God and the authoritative source and norm of our proclamation, faith and life.

Congregation Constitution - A document that not only defines our identity and ministry, but gives us guidance as to authority, structure, as well as lines of responsibility and communication.

Congregation Meeting - At least twice a year the congregation gathers together to consider the ministry God has called us to do. It plans, approves courses of action and a monetary guideline as well as elects people to be the spiritual leaders of the congregation. Following Christ and God's Word, the congregation is the primary authority.

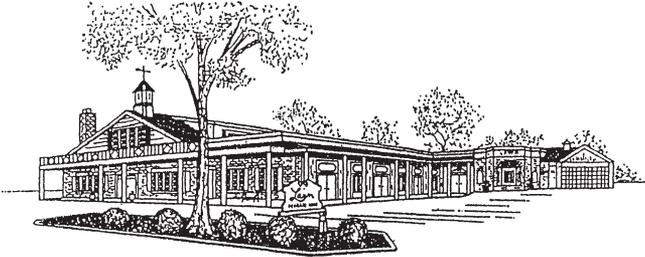

Congregation Council - People called by God, acknowledged and elected by the congregation to serve the mission carried out in this place, by the people committed to this ministry. They are the lay, spiritual leadership of the congregation, who carry out the responsibilities of overseeing ministry. On a month to month basis they represent and carry out the congregation's direction and desire for ministry.

Staff - Professional and lay people with expertise and experience who assist the congregation in carrying out its ministry.

Ministry Staff

The ministry of this congregation is assisted by clergy and lay people who, through their call by God, offer to the congregation their expertise and experience.

The pastor is trained and certified by The Evangelical Lutheran Church in America and is called to serve in specific contexts, such as this congregation.

Our lay staff are called to assist this ministry in a variety of ways. They, too, have different areas of responsibility. Their commitment to and involvement in this congregation's ministry goes a long way in helping us carry out the mission entrusted to us.

Together, the staff shares in the spiritual leadership of the congregation and becomes a special and integral part of the lives of those who comprise Our Savior's ministry. They also become extremely instrumental in our relationship with the larger Church and community.

Funerals - To be actively involved in the life of a congregation creates a special relationship. When death ends our earthly relating, we, as a congregation, experience a loss. Yet, as the people of God/followers of a Risen Lord, we believe some very specific things about life, death and eternal life. We not only want to minister to those who grieve, but we want to celebrate our God and the life and service of our sister or brother who has died. Please let us know of an impending death or a death that has occurred as soon as possible. We offer to you our support and the hope of a funeral worship service (preferably here at the church building or if your family desires, a funeral home or cemetery) through which our lives are focused on the everlasting promises of God. We will work with you and any funeral home of your choice to create an atmosphere of hope in the midst of sorrow.

With others, certain topics and questions can be explored in more breadth and depth. Weekly Bible Study is being offered on Sunday morning during education hour. Other classes on biblical topics are offered at different times throughout the year.

Children's Christian Education - Children need good nutrition for physical growth when they are young. In fact each person depends on the nourishment of faith to grow spiritually. Faith is shared primarily through word and deed at home as parents model the life of discipleship. Our Sunday morning time of Christian Education for children ages 3 to grade 5 provides exciting and relevant learning through the Word of God, age appropriate learning experiences, and meaningful faith practices. Children learn about God's Word through a variety of experiences as they explore Bible stories in a different workshop each week of the month.

In addition to regular worship, various experiences in Confirmation meetings, Bible study, small group discussion, service events and fellowship gatherings, are directed toward this goal. The goal is for them to publicly Affirm their Baptism/Confirm their Faith by acknowledging that the faith started in them in their Baptism is alive and growing and that they are ready to assume the adult responsibilities of ministry within the Church.
