Dear Parishioners,

"Give something, however small, to the one in need. For it is not small to one who has nothing. Neither is it small to God, if we have given what we could."

-St. Gregory Nazianzen

Here is the latest edition of the guide book. Always this book has been a great help to me. This book gives a short and brief account of all the ministries of the parish and outlines the contact info of all the parishioners.

Parish Mission Statement

We, the people of St. Joseph Parish, Racine, Wisconsin, believe the Church is the Living Body Of Christ, in which we all share responsibility. As the unit of God's Family which fulfills this universal mission of the Church within our community, this parish unites in a spirit of stewardship to offer our time, talents and treasure to foster Catholic Education, and to care for the spiritual, intellectual, moral, and temporal needs of parish members.

Parish Membership Guidelines

Membership in a parish is by virtue of baptism or a profession in the Roman Catholic faith. The parish can be in one's territory of residence or of personal choice. It is the duty of every adult Roman Catholic to register in their parish.

Each member of the Church community must recognize and acknowledge the rights and responsibilities which flow from membership. Some of the rights of all members are: to worship God, to receive the spiritual goods of the Church, mainly the sacraments, the Word, to service from the official ministry in the Church, to participate in parish elections, life and mission, to Christian burial from the parish, and to redress if these rights seem to be violated.

Some of the responsibilities of all members are: To be regularly present for Mass on Sundays and Holy Days of Obligation; to be frequent recipients of the sacraments, and to participate in parish life through contributions of personal time and talent to parish programs as well as regular financial gifts toward the church support.

St. Joseph Parish knows Mass on the Lord's Day is the Font and source of our unity. The Bible records that the early church felt no one should lightly excuse themselves from communal worship. We give good example and strength to others by sharing time in honor of God in Christ and receiving His Body and Blood, Holy Communion, together regularly. Our church will prosper if we choose to be generous and make sacrifices to support it. Time and talent are rich offerings to the welfare of our programs. Regular donations of financial gifts and resources are vital, but personal circumstances determine what one's contributions should be.

Our Facilities Are Handicapped Accessible!

A wheelchair lift and comfortable seating area in church are located at the north side of the sanctuary and entered by the clearly designated, street-level door at the northeast corner of the church along St. Patrick Street. Padded pews and restroom especially equipped for the disabled/elderly is a convenient completion of this special amenity for our senior and other physically challenged members, friends and families. Three parking spaces are reserved for use of the disabled near the door at the South side of St. Patrick Street.

The church hall (located in the lower level of school as no basement is beneath our beautiful 1875 church) also has a chairlift which makes all parish events, socials, festivals, meetings, meals, etc. accessible to those who would be quite troubled by a long flight of stairs. Several parking spaces are reserved near the school's North Wisconsin Street entrance for the exclusive use of those needing access by way of lift to our halls at any time.

A third chairlift is in the school breezeway which joins the church and school buildings. This makes it possible for many who find the 1533 Erie Street church entrance steps a bit of a climb to use the glass doors of the 1525 Erie Street School entrance for Mass and get to/from church level without a step hindering access.

Our Church Does Have A Cry Room!

Conveniently located in front of church at the South side of our Sanctuary, it represents a haven for parents with very vocal and energetic youngsters whose cute antics might be some distraction to other worshippers in the main church. With a changing table and diaper pail, rocking chair, privacy screen for nursing mothers, microwave for formula, proximate position to altar, good sound and ventilation, an adjacent restroom designed with little people in mind, and the special considerations of our ushers/communion ministers, this room is a respite and treat for parents who want their children to get in the good habits of church attendance and attitudes early. Whether you need it or not, we recommend you check it out as visitors to our church say it is one of the nicest cry rooms they've seen anywhere! You may enter by way of the Sacristy door or by sharing the door at the northeast corner of church along St. Patrick Street with those using the wheelchair lift to access the church.

Sacramental Arrangements Preparation RCIA

The Rite of Christian Initiation of Adults

The initiation of adults is a gradual process that takes place within the community of the church. Adults seeking initiation are required to follow a process that includes four periods of time devoted to formation in Christian living, liturgy, apostolic work, and doctrine. These periods are linked together by three liturgical rites each of which marks the beginning of a new stage in the conversion process.

If you are interested in the initiation process or in being a sponsor to help with the faith journey, please contact one of the RCIA Team.

Infant Baptisms

Our program prepares consistently-practicing, parishioner parents for the baptism of their child into the Catholic faith at St. Joseph Church. The one-session, baptismal-preparation class for parents of firstborn children is held on an individual basis in the Parish Center. Godparents are encouraged to attend, if possible. Parents are asked to call the Parish Office to begin registration for the class. Arrangements for the baptismal date are made by calling the Pastor. Baptisms are usually celebrated during or after any weekend Mass. Other arrangements can be made, when possible.

After attending a baptismal-preparation class for a first child, arrangements for baptism of additional children in the family are made simply by calling the Pastor if not more than three years have elapsed since the class. Otherwise, please call the Parish Office, as the class needs to be repeated.

Marriage Preparations

Arrangements for all marriages must be made at least 6 months before the proposed wedding date. This is to allow time for the proper preparation of the couple in accord with the Common Policy for Marriage Preparation required by all Wisconsin Dioceses. The first step is to meet the pastor, who will explain in detail all the preparations needed to be done for a Catholic wedding. The 2nd step is attendance at a large group enrichment retreat day/program conducted by the Archdiocesan Office for Adult and Family Ministry. An Archdiocesan lay team makes this presentation with clergy.

Pre-registration through Office of Adult and Family Ministry in Milwaukee is required. (A fee is charged.) The third step is to meet a FOCCUS couple who will facilitate open couple communication regarding family expectations, career goals, values held and models available. The fourth step is liturgical and canonical preparation for the wedding itself. These steps or their equivalents apply even if the wedding is to be celebrated in another parish, diocese, Christian or other church. Please call the pastor at the parish center.

Coordinator: Pastor 633-8284

Pre-Marriage Counseling

Several trained parish couples assist the pastor in ministry to those being readied for the Sacrament of Matrimony in the reviewing of the FOCCUS communication inventory with couples.

Confessions are also heard by appointment. Reception of this sacrament for the first time takes place in grade 2 in both the School and Religious Education Program.

Young adults who chose not to be confirmed as juniors should contact the Pastor regarding the Sacrament of Confirmation.

Hospital Visitors

The parish has volunteers who visit hospitalized parish members and nursing home residents regularly. If the visitor is unable to see the patient, a small card of identification with a note about parish prayers and the visitor's name is left at the door. If you are in the hospital for a lengthy time and we do not visit, please call the parish center. If someone is out of town and desires prayers, call the parish center. If you are interested in helping with this ministry please contact the coordinator.
