Dear Parishioners,

Good communication is important for any parish, so I am pleased to introduce this first edition Guidebook and Directory for St. Brigid & St. John. As with any church directory I hope it provides you with much more than just information. This book also offers a look at how stewardship keeps our parishes active and alive; there are many activities going on and people need to be available to serve where needed. I also hope this booklet can become a source of prayer. All the information about people and activities cry out for prayer in support of one another in our parish family as we work together.

Thanks to Maggie Olson, Clarissa Yates and to all who helped publish this directory. May it become another source of knowledge to help us become more Christ-centered and dedicated to building up the Kingdom of God in our midst through our parish activity.

This booklet is made possible for parish without cost because of the generosity of the advertisers; let us express our support and gratitude by patronizing these establishments.

Peace,

Fr. Dan Lincoln
Pastor

St. Brigid & St. John Mission Statement

Saint Brigid & Saint John Parishes are Roman Catholic communities that were clustered in 2007. We are committed to living our faith through prayer and worship of God. We believe that we have been called, through Baptism, to share the responsibility of advancing Christ's mission on earth. We accept this calling willingly and foster God's word in sacrament and teaching.

We embrace the mission of proclaiming that Good News by welcoming all people. We receive new members and visitors as Christ. We remember that what we have done for the "least of our brothers and sisters" we have also done for Christ.

Saint Brigid & Saint John are family-oriented parishes with family life and family values at the forefront of our ministry. We are actively fostering formation and education of children and adults.

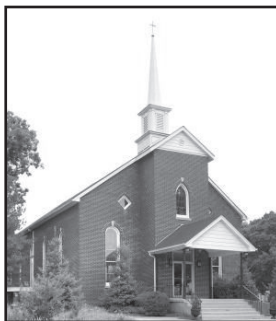

Saint Brigid & Saint John are communities that value God's gifts of a bountiful earth and willing workers. We are called to be a generous, loving people sharing the fruits of our labors with all of God's people. With the gifts given to us by the Holy Spirit, we vow to make Christ more visible in our community and to make Saint Brigid & Saint John parishes places that all who love God can call home.

Catholic Instruction

Rite of Christian Initiation of Adults (RCIA): RCIA is the process established for the universal Church to prepare individuals who seek to learn about the Catholic Church and possibly become Catholic if they choose. Completion of the program will entitle them to receive the Sacraments of Initiation – Baptism, Confirmation and the Eucharist. This initiation process also involves the parish community. The involvement of the parish community allows those already Catholic to experience a renewal in faith as they share in preparing and welcoming new members into the Church. The rite approaches the process of conversion as a “spiritual journey.” This journey is centered on fostering a deep relationship with Jesus Christ and the Church he founded. The process is divided into stages to allow those involved to receive thorough catechesis, and understanding of and relationship with the parish community, and the invitation to commit oneself to the liturgical and moral life of the Catholic faithful. RCIA is for adults or children 7 years or older who have never been baptized, person already baptized in another Christian tradition who desire to become Catholic, or persons baptized in the Catholic Church in need of First Communion and Confirmation. For more information, please contact the Director of Religious Education.

History Of St. Brigid

St. Brigid Parish was established in 1907 as a mission of St. Patrick in Stithton, because a church was needed in the small rural town of Vine Grove. A building was purchased in 1908 from the Northern Methodist congregation. It served the little Catholic parish two Sundays of each month. The parish grew rapidly when the federal government acquired the community of Stithton and displaced both the parishioners of St. Patrick Church and its pastor, Father Rudolph C. Ruff. In 1918, St. Brigid was raised from a mission to a parish, and Father Ruff became the first resident pastor.

Under the pastorate of Father Guido L. Mensa, the parish continued to grow. In 1929, Father Mensa built the present St. Brigid Church. St. Brigid operated a school from 1938 to 2004. For many of those years, teaching support came from the Ursuline Sisters of Mount St. Joseph.

St. Brigid Parish is a close-knit community that reaches out to all in need. The parish always exceeds its goal for the annual appeal for the Archdiocese, donates Christmas baskets for the needy and for elderly neighbors and shut-ins on the Christmas Giving Tree, makes contributions of money and items needed for the Crossway Pregnancy Center, and gives generously to natural disaster relief and numerous other civic needs in the area.

The church has been expanded and modernized twice to continue to inspire its more than 900 parishioners in their worship at Mass. Parishioners participate regularly in Bible study groups, in novenas and other devotions, and in the Growing in Faith Together (GIFT) program. In addition to events for the soul, church activities include the parish raffle, spaghetti supper, cake auction, and other community-building events. The parish raffle replaced the annual church picnic which had been held from 1929 through 2004. St. Brigid is a good place to grow in every way.

History Of St. John The Baptist

Settlers from Maryland formed the Rhudes Creek Catholic Community of St. John the Baptist in the early 1800s. The parish was established in 1829, but the first church was a log structure built by Father Charles Nerinckx in 1812. Father Charles J. Cissell was the first pastor of St. John.

The oldest grave in its cemetery is dated 1811, and many of the early families who were buried there have a large number of descendents in the parish to this day.

The Sisters of Loretto relocated Bethlehem Academy, a one-room frame building near St. John Church, in 1830, and twenty-six pastors of St. John served as chaplains to the Academy until it closed in 1959. For many years, the pastors of St. John resided at the Academy.

The present church is the third in the parish's history. It was started in 1898 and finished in 1899. It was renovated and brick-veneered in 1967 and has been renovated several times since. In 1972, an all-purpose building was constructed.

Primarily a farming community, St. John is growing and changing as subdivisions are added. Today, the parish consists of nearly 650 parishioners worshipping and serving one another. St. John's is a small country church where everyone knows everyone and where all visitors are welcomed.
